

Doug Mitsap - stated crew did a great job  
in rescue + rescue attempt. Best dive  
briefing he has heard for 25 years.

However crew did not give any moral  
support to Gabe after the event. Gabe  
was on <sup>drive</sup> back deck for an hour in his  
wetsuit + finally assisted by Paula + Ginge.  
SUGGESTED DEBTS FOR BOAT.

~~Dr John Downie 110322 - stated that was very  
upset + frustrated that equipment was~~

→ Biggest insult was insensitivity of DM  
coming into cabin + asking Gabe to  
sign off dive log.
